1. Hello guys. Last 200 tabs are here now. Thank you a lot for a good affair. Now I know where you stand. Thank you once again and I will keep in touch if I wonder something or if I wanna buy other stuff. God Bless U. Frankie.
2. I have received both of my orders and I'm completely satisfied with the products and the timing of shipment. Thank you, Alain.
3. I would like to thank you for a really great service. You are one of the few sites of your kind that I found that accepts various forms of payment, including MasterCard! I am in the US and received my order in only a matter of days! I am so impressed and happy with you guys that you may use this letter, or part of it, if you wish, as my free testimonial for your site. I will surely order again from your wonderful and reliable company. I would highly recommend it A+++!!! Dieter.
