Underground-Pharmacy.com is a trusted and reliable online pharmacy referral service / escrow service for brand name and generic prescription drugs at a tremendous savings to thousands of customers worldwide. This online pharmacy escrow service offers medications made by world renowned International pharmaceutical manufactures such as British Dragon, Organon, Zeneca, Eco-oils, Eurochem, Galenika, Roche, Pfitzer and many others. All products are shipped in the manufactures' original package with the manufactures' original seal for your safety.

We are specially designed for athletes and bodybuilders, both amateurs and professionals, to help them find the best performance enhancing drugs in order to reach their goals.

Our product range is constantly growing so watch this space for more exciting health care products to come. Alternatively if you wish to enquire about a product not currently listed here simply use the e-mail address above and we will be happy to help. To get more information on any of our products simply click on the product category on the left hand side of this text and use the "more info" button provided next to the product name. We also run a monthly newsletter designed to bring you the latest in health care news plus not to be missed, special offers and products. To find out more use the 'newsletter' link at the top of this page.

We promise to provide you with accurate and speedy delivery, typically your order will be processed and dispatched within 12 to 24 hours of being received. All transactions and queries are treated in the strictest of confidence through our 128-bit verisign SSL secure server encryption. For your convenience we accept all major credit cards including Visa, MasterCard and American Express. We also accept payment by Western Union MoneyTtransfer. For more information about ordering from us use the link at the top of this page.

The products available on this site are sold without a prescription. We welcome all trade enquiries please direct your requests and queries to the above e-mail address.

We understand that there is a certain reluctance to purchase over the web. It is after all, a relatively new and faceless medium, there's no counter to buy over and no person who's face to identify with. In order to address this and allow you to shop with us in confidence we at the online pharmacy have devised a guarantee that, we hope, will make your shopping experience with us more comfortable and enjoyable. You may view our guarantee by using the link at the top of this page.
